

# Impact land, water, and community.

*The Conservancy's mission is to protect  
and restore the lands and waterways of  
Walworth County and beyond.*

The Conservancy has opened  
six public nature preserves in  
Walworth County offering miles of  
hiking trails, including a children's  
nature and fishing park.

More than 300 children each  
year are learning about land and  
water protection through our  
programs at Rohner Park, creating  
conservationists for the future.

The Conservancy now protects  
over 3,500 acres of open land  
with high conservation value in  
Walworth County.

## PAYMENT, SUBMISSIONS & GIVING

\*Note: The charitable contribution portion of  
your donation is limited to the excess of the  
contribution over the fair market value of any  
goods or services received. The Conservancy  
provides an estimate of the fair market value of  
goods and services received on an event by  
event basis. Please consult your tax advisor to  
determine the deductible value of your  
contribution.

FEIN: 39-1418947

Checks, credit cards or electronic funds are  
accepted as payment. Checks should be made  
payable to Geneva Lake Conservancy.

Digital logo art should be sent in EPS or high  
resolution JPG file format to  
[Outreach@GenevaLakeConservancy.org](mailto:Outreach@GenevaLakeConservancy.org)

For additional information please contact  
Tai Thompson at 262-275-5700 or  
[Outreach@GenevaLakeConservancy.org](mailto:Outreach@GenevaLakeConservancy.org).

## SPONSORSHIP LEVELS & BENEFITS

*When you become a sponsor of The Conservancy, you are demonstrating your commitment to protecting our area's lakes and open lands.*

*Your contribution will help us continue critical conservation efforts, and in turn, your brand will be associated with an organization that champions environmental protection and social responsibility.*

*Beyond the environmental impact, a sponsorship provides you with valuable visibility and engagement within the community.*
